Our Environmental Credentials

At Boss Design we are passionate about caring for our environment. We are a carbon neutral company, FSC certified and the proud holder of the Manufacturing Guild Mark Award. We purchase raw materials with the highest recycled content and work with like-minded suppliers who use materials and components obtained only from ethical sources.

We constantly review our global logistics operation to ensure that we minimise any negative impact on the environment.

We actively monitor the carbon footprint of our products throughout their life-cycle and work closely with community transport to deliver our award winning end-of life product management process.

COLLABORATIVE WORKING

Peek and Boo are a playful duo ideally suited to the contemporary workplace

Designed by Boss Design, Peek and Boo reflect the change towards a comfortable, informal working environment where single person work booths are the norm.

Peek and Boo can be used independently to create private spaces in open plan environments, or alongside each other to enhance collaborative working.
