PRODUCT DATASHEET

PLEDGE

ONE CHAIR. DESIGNED TO BELONG EVERYWHERE.

Discover Ciao — a versatile, multi-purpose chair designed to elevate the way spaces look, feel, and function. With a refined silhouette and carefully considered details, Ciao brings together contemporary aesthetics, ergonomic comfort, and everyday durability in one seamless design.

Engineered for adaptability, Ciao moves effortlessly between environments from dynamic workplaces and collaborative hubs to hospitality settings and modern living spaces. Its intelligent construction supports long-term comfort, while its timeless form complements both bold interiors and minimalist schemes.

Available in a thoughtfully curated range of variations, materials, colours, and base options, Ciao offers the flexibility to suit any application or mood. Whether specified as a statement piece or as part of a cohesive collection, Ciao adapts with ease delivering comfort, character, and consistency wherever it's placed.

ENVIRONMENTAL

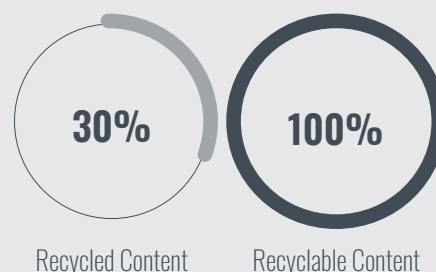

CO2 DATA

The organisational Green House Gas intensity for an item in this range, based on average product weight and total Green House Gas Emissions recorded within the 1st June 2022 to 31st May 2023 company inventory, is 0.0072 tonnes CO2e/item. (QC: Blue Marble Environmental Partnerships Ltd)

POLICY

Pledge Chairs prefer where possible to manufacture a complete product from raw materials, constructing wooden components and panels, steel fabricated frames, and upholstered products at our site in Leighton Buzzard, Bedfordshire, UK.

We are committed to the efficient use of energy and continually review our environmental impact, seeking to utilise technologies which minimise energy and material consumption in our products and services.

Plastic components >25 g are labelled in accordance with ISO 11469.
